7. Go through the activation process

a. Click on “GET STARTED”

← 2-Step Verification

Protect your account with 2-Step Verification

Each time you sign in to your Google Account, you'll need your password and a verification code. [Learn more](#)

-  Add an extra layer of security
Enter your password and a unique verification code that's sent to your phone.
-  Keep the bad guys out
Even if someone else gets your password, it won't be enough to sign in to your account.
